

NOTE:

#Reserves adjoining - claim a right of way over the road leading to the County Road which runs across Parcel 1 and 2 of the Survey among lines hereinafter to grant a right. Part 42/192 and Part 42/168 clearly specify this private road - suit its fees of reservation or grant a right. Part 42/192 and Part 42/168 clearly specify this private road - suit its fees of reservation or grant a right. Part 42/192 and Part 42/168 clearly specify this private road - suit its fees of reservation or grant a right.

#Found in the course of the survey. Long usage and evidence of parcels of adjoining property establishes the existence and extent of the said right of way easement. A reservation in the Title Deeds for Parcel 2 (1196/21) indicates a right of way easement reservation which right, owing to the benefit of the Northern Adjoiner (Valley Property), which is jointly designated and therefore non-specific.
