ATTORNEY'S FEES

The parties to this lease recognize the opinion and argument of the Maryland law suit University Plaza Shopping Center, Inc. v. Garcia, 279 Md. 61, 1976. In particular, the parties agree with that portion of University v. Garcia that states that fees defined as rent and intended by the parties to be rent shall be treated as rent. The parties agree that should it become necessary for the landlord to employ an attorney to collect any sums of money due under this lease, that 15 % of such sums of money due under this lease shall be immediately due and payable by Tenant. Tenant agrees to pay reasonable private process fees and Landlord's Agent's fees incurred by Landlord should it be necessary to file suit to collect any sums of money due under this lease. The parties further agree that but for the above agreement by Tenant to pay attorney's fees and private process service fees, the rent as stated in this lease would have been higher in the amount of \$100.00 per month. Tenant and Landlord agree and intend that the aforesaid agreements to pay charges for attorney's fees, Landlord's Agents fees and private process service go to Tenant's use, possession and enjoyment of the leased premises in that the sum set for rent would necessarily be higher without the aforesaid agreements. The aforesaid agreements to pay 15 % of such sums of money due under this lease for attorney's fees, Landlord's Agent's fees and private process service is substituted for the agreement to pay additional rent which would have been required if Tenant and Landlord had not agreed to this clause. The parties have freely negotiated and agreed to the terms of this clause with no coercion and/or duress by Landlord or Tenant upon each other. The Tenant understands that this is a legally binding document and that if not understood Tenant may consult an attorney or any one else of his choosing in order to understand it. The sums of money due under the aforesaid agreements to pay attorney's fees, Landlord's Agent's fees and private process service fees are defined and intended to be treated as rent.

ENTIRE AGREEMENT: The Landlord has made no promises or representation except those stated in this Agreement and it is agreed that this lease and the agreements herein contained can be changed only in writing and signed by both Landlord and Tenants.
