The Inspector must check inspection category #1, 2, 3, or 4. Check ONE and ONLY one. Also check each appropriate option or method used. The following attachments are required: Dust test, Form C; Visual inspection, Form B; Lead Free, Form E. Provisional or limited certificates are issued pursuant to a waiver for exterior work for a specific time frame and will be invalid after the expiration date unless a Form D is completed and returned to the Department within 10 days of that expiration date. Any re-inspections require a Form D be submitted to MDE. The original Inspection Certificate No. should be referenced on all Forms submitted.
